**Term 4**

**Week 1**

**17 October 2019**

Dear Parents,

A warm welcome back to Term 4! There is a lot planned for the term ahead and the children have already begun setting new learning goals to work towards. The teachers have been planning excursions, incursions, celebrations and exciting learning opportunities. This term across the school our projects will have a History focus and the children will be demonstrating their new knowledge in many ways.

I encourage you to come along to as many events as you can and watch the dates set for our celebrations throughout this term.

We look forward to the learning and excitement that Term 4 brings!

Yours in education,

Sarah O'Rourke  
Principal

**RELIGIOUS EDUCATION NEWS**

Dear Parents,

**Faith Formation**

Gospel

Lk 18:1-8 The widow and the irreligious judge.

*In today's gospel the widow kept pestering the judge. What did she want him to do?*

*What did the judge do?*

*Jesus wants us to pray to God and not give up. Who are some of the people we need to pray for?*

*What are some ways that you can pray for these people this week?*

**Catholic Culture and Tradition****New Curriculum**

This term all grades will be trialling a ten week unit which will also incorporate Mission, Advent and Christmas. The teachers will also be having professional learning for Religious Education based on the inquiry model. We are also excited to see the new curriculum document which will be launched before the end of the year and pray that the Mission Team are strengthened by God's grace.

**CRAZY SOCK DAY WEEK 1 FRIDAY 18<sup>th</sup> OCTOBER**

*Don't forget to wear your school uniform but have crazy socks for the day. Bring a gold or fold donation for Catholic Mission.*

This year our school will be participating in Socktober . We invite children to engage with people experiencing challenges in the developing world through the language they understand best – play!

Children are challenged to make a difference by understanding how their brothers and sisters in Ghana play the international game of soccer!

We invite your child this Socktober to lead in mission, through the engagement of an online platform – creating a practical engagement tool to share with family and friends. We invite you to please register your child at the Socktober website if you wish to raise more money than the donation being made on the 18th October:

<https://www.socktober.org.au/CorpusChristiCranebrook>

Should you choose, please consider helping your child set a target and fundraise for the poorest children in Ghana to have their basic needs met such as food, clean water, healthcare and education. Below are some examples, or please choose your own target:

\$37 can help to build new classrooms in a remote school, which will provide children with a safe learning environment.

\$164 can cover the cost of providing nutritious food for the 78 children at the Nazareth Home for God's Children for one day.

\$610 can cover the cost of vital medicine for one child at the Nazareth Home for God's Children for one year.

\*Please note, children under 16 must have their parent register on the Socktober platform – we thank you once again for your support.

As part of our Crazy Sock Day we will be sharing in the experience of shooting goals with the soccer balls the Year 6 children made at their 'Focus on Mission' afternoon.

Thank you for your support and for helping your children 'sock it to poverty!'

Have a peaceful week,

Sharon Shahoud, Religious Education Coordinator

### **FRONT GATE SECURITY - SCHOOL HOURS**

A reminder that if you are leaving the school grounds via the front gate during the school hours, you are asked to ensure that you do not let any late arriving children through the gate. Please direct them through the Front Office to be signed in.

All late arriving children need to be signed in by their parents or caregivers through the Front Office. This is a legal requirement and part of our Attendance procedures.

### **LEAVING STUDENTS**

A term's notice (10 school weeks) in writing must be given to the Principal before the removal of a student or a full term's fees will be payable. One exception, is that notice in writing will be accepted at any time during Term 4 in relation to the following year's enrolment, that is, the notice period of 10 school weeks will be waived in this circumstance.

**Please advise the school as soon as possible, if your child will not be returning in 2020.**

### **STUDENT BIRTHDAY CELEBRATIONS AND STUDENT BELONGINGS**

Below is a request that we are asking of the parents regarding student birthday celebrations. Hopefully this will help you all.

If it is your child's birthday and they wish to bring in a food item to share with other students, we strongly encourage you to only send in small individual cupcakes. Sending in individual cakes will help make the distribution to students quicker and will eliminate the need to freeze ice blocks or refrigerate jelly cups.

Please also limit the number of items that are brought up to the school to be distributed to your child. Please encourage your child to remember to bring in all items to school that they require for the day. ie homework, library books, lunches, drink bottles, hats, jumpers. This helps limit the interruptions to teachers and classes.

Many thanks for your cooperation.

### **CLASS AWARDS 2019**

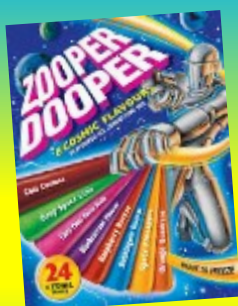

Congratulations to all the students that have received class awards this year.

**Friday 22<sup>nd</sup> November (week 6) is the last day this year for students in years Kindergarten to Year 5 to have their Class Awards stamped.** Any Assistant Principal and Principal awards will be given out at Assembly in week 8.

Please keep any awards that the children receive from their teachers after that, as the awards continue through to the next year.

**Year 6 students** receiving awards in weeks 7, 8 and 9 will still have their awards stamped at school up until the end of week 9. When any Year 6 student receives their 3<sup>rd</sup> Class Award they can bring them to school. These awards will be stamped, recorded and the appropriate award will be given to these Year 6 students.

## St Dominic's Discovery Day

Last Term in Week 10, 16 Year 5 students and Mrs Algeri spent the day with the St Dominic's STEM Team working on a unique project.

The students were placed into teams in order to construct a Formula 1 vehicle which would prove to be the fastest, best design and having the most aerodynamic properties. Each person in the team was assigned a specific role : Manager, Graphics Designer, Race Technician and Engineer. At the end of the day, the teams from all the schools participated in an exciting racing championship (Like a mini Bathurst!).

Corpus Christi reigned supreme, winning two of the three awards -BEST DESIGN and BEST MARKETING.

Congratulations to our budding engineers of the future:

## 2020 School Travel Applications Now Open

To assist with any enquiries you may receive regarding student travel applications, we have provided some information below.

Applications for student travel in 2020 opened on Friday, 11 October 2019.

Students progressing to year 3 and year 7 no longer need to re-apply *if* they:

- are continuing at the same school
- are residing at the same address
- have *not* been sent an expiry notification from Transport for NSW.

Where a student meets the new distance eligibility, the system will automatically update their entitlement. If they do not meet the new eligibility, they will receive an expiry notification via email.

Students who have an entitlement approved under a medical condition which is due to expire will receive a notification advising them to re-apply.

Term Bus Pass holders will receive a notification to re-apply.

If students need to update their information or re-apply, they should go online to <https://apps.transport.nsw.gov.au/ssts/updateDetails>

Applications need to be submitted before 31 December 2019 to ensure student entitlements are updated and their current entitlement/card is not cancelled. If their application is submitted after 31 December 2019, the system will automatically cancel an entitlement/card and a new one will need to be issued.

Students in the Opal network applying for a SSTS or Term Bus Pass entitlement for the first time will receive their card at their nominated postal address. Cards will be mailed out from January 2020.

Students residing in Rural and Regional (R&R) areas should receive their travel pass at the commencement of the new school year from their nominated operator, this may be distributed via the school or sent direct to their address. **Note:** some R&R operators do not issue travel passes. Students/Parents should confirm with their nominated operator if they do not receive a pass.
